Lakshmanachar and Raghava Samak on an annual quota of 50 canals of paddy in proportion to the area in their respective possession was sanctioned in this office order No.D1 Dis.43, 32-33 dated 18th August 1932 (copy enclosed). It is now reported that when the lessees were called upon to execute the m tchalika they refused to do so on the score that they wanted the lease for a period of 30 years. The action taken by the local officers to resell the lease proved unsuccessful. The Deputy Commissioner recommends that the lease may be granted to the above lessees for a period of 30 years as there is no one else to cultivate the lands. In these circumstances, I request that sanction of Government be

and other two persons, I have the honor to state that the Amildar reports  
that the lessees who were asked to execute mutchhalika did not do so on the  
plea that they wanted 30 years lease and not 10 years and that the lease  
right sale held by him proved infructuous. He has therefore recommended  
that though the lands are wet the lease may be sanctioned for a period of  
30 years as there is none else to take up the lands for cultivation and as  
the present lessees have spent much to improve the lands,

The Sub Division Officer also agrees with him.

Under the circumstances reported by the Amildar, the period of lease  
may be extended, to 30 years.

The connected records accompany.

On receipt of the records further action will be taken to ascertain the  
extent in the possession of each lessee.
